We wanted to reach out to see if there is anything we can do for the local Clemson community to assist. We are very passionate about serving Clemson and love the community so dearly. This hurricane has devastated so many people and we would love to know ways for our 37 members to support and give back to the community. I have CC'd our Vice President on this email as well but we both also wanted to thank you for your leadership and all you are doing for the city of Clemson, Sir.
