---

Apologies – operating at a million miles an hour! Hurricane prep and meetings have me in a bit of a tailspin.

Here is the correct link for the Owl Bucks program (https://www.fau.edu/business-services/owl-card/owl-bucks/). I also wanted to share the link to our Owl Perks program – a community initiative where we partner with businesses near our campuses that offer students, staff, faculty, and alum discounts when using their services. Here is the link for that program: https://myfau.fau.edu/u/owlperks/index

Double the info for you all today! Sorry for the mishap.

Best,

Bethany Alex

Hi there, ITGA team!

So sorry for the delay – here is the University Policy from Florida Atlantic University: (https://www.fau.edu/policies/documents/files/4-1-5-bicycles-skateboards-scooters-and-other-similar-devices.pdf)

We also summarize using the below:

BICYCLES, MOPEDS, MOTORCYCLES, VEHICLE PARKING, BICYCLE RACKS

- Bicycles should be registered with the University Police. There is no cost for this registration.
- Locks are recommended to secure bicycles and are not provided by the University.
- Bicycle racks are available throughout University Housing areas.
- Motorcycles, mopeds, and gas or electric powered scooters including two-wheeled "hoverboards" are prohibited inside University Housing. Parking lot space is available in close proximity to University Housing. Storage or parking of these vehicles as applicable is allowed only in designated parking lots.
- Designated parking lots adjacent to University Housing are reserved for residents. All vehicles must be parked in parking lots and not on grass or other places. Several of the parking lots designated as Faculty or Staff lots are available for student parking at designated hours. Check the signs posted prior to parking vehicles.
- Bicycles may be stored in either bicycle racks or in resident rooms, provided they do not impede movement within the unit. Bicycles may not be chained to railings, buildings or any portion of buildings or equipment on University Housing grounds.
- Bicycles, motorcycles or motorbikes may not be stored in hallways, entry areas, stairwells, walkways, patios or balconies. Motorcycles and motorbikes must be parked in parking lots with proper decals. Improperly stored vehicles will be removed at the owner's expense.

Let me know if you have any questions.

Best,

Bethany Alex

[EXTERNAL]

Good morning,
Can you share links to programs if your institution allows for meal swipes/dining dollars to be used at off campus locations?

Best,

Heather Drinan
Director of State Government Relations and Community Outreach
