Subject: Anderson Independent Mail Hurricane Helene
Date: Wednesday, October 2, 2024 11:02:18 AM

Good morning, everyone. I want to express my gratitude to all of you for keeping me informed about Anderson's Hurricane Helene recovery efforts in the past few days. Could you please send me today's update when it becomes available? Additionally, I will share resources that residents can use until power is restored in their area. Duke Energy reported that most Anderson County residents should have power restored by Friday. Please feel free to share any pictures.
