PENNSYLVANIA'S 40 IN THEIR FORTIES

October 1 | 6:30 PM - 8:30 PM ET | Philadelphia, PA | REGISTER

Join us as we recognize the most influential and thought-provoking leaders in the oft-overlooked decade. This list will honor Pennsylvanians in their 40s who have been rising stars in the public sector and continue to rise to the top. Help us shine a light on the Generation X and Millennial leaders, gamechangers, trailblazers, and

pioneers in Pennsylvania’s government sector!

ATARC ZERO TRUST SUMMIT

October 3 | 7:30 am - 3:00 pm ET | Reston, VA | REGISTER

Join government and industry leaders at ATARC's Federal Zero Trust Summit 2024 on October 3rd in Reston, VA. This event will feature discussions on the latest strategies and innovations in Zero Trust Architecture, including identity management, AI integration, and cybersecurity resilience. Attendees will gain insights from top federal experts on navigating cyber threats, securing federal networks, and adopting a Zero Trust mindset. Earn 6.0 CPE credits while networking with professionals dedicated to fortifying federal cybersecurity in today's digital landscape.

NSF ABOVE AND BEYOND

Honoring Women in Government and Public Service

October 8 | 6:30 PM - 8:30 PM ET | Tallahassee, FL | REGISTER

Join us on October 8, as we celebrate and honor influential women who demonstrate exemplary leadership in their respective fields, making significant contributions to society in business, public service, media, nonprofit, and organized labor.

ATARC'S QUANTUM SPEAKER WEBINAR

Christian Weedbrook, CEO, Xanadu

October 8 | 1:30 PM - 2:00 PM ET | Virtual | REGISTER

Join ATARC on October 8th for an exciting session in the Quantum Speaker Series, featuring Christian Weedbrook, Founder and CEO of Xanadu Quantum Technologies. In this talk, Christian will explore Xanadu's cutting-edge work in scaling quantum computers using light, and share insights into their ambitious roadmap to achieving 1 million qubits. Don't miss this opportunity to learn about the future of quantum computing and participate in an open Q&A with one of the field’s pioneers. Register now to secure your spot!

TRANSPORTATION IN NY SUMMIT

October 10 | 9:00 AM - 3:30 PM ET | New York, NY | REGISTER

New York's transportation systems have evolved in many ways since the pandemic. In addition to transit system improvements, there have been more cars, bikes and scooters on the road and massive improvements were made to existing systems. The last few years has given us a chance to re-examine and enhance transportation systems across the city and state. This event will bring together experts across sectors to assess the current state of New York's transportation systems, break down recent legislative actions, and look towards the future of all things coming and going in New York.

CHALLENGES AND APPROACHES

Improving Federal IT Audit Readiness and Outcomes

October 10 | 1:30 PM - 2:30 PM ET | Virtual | REGISTER

Don't miss ATARC's Webinar: Challenges and Approaches - Improving Federal IT Audit Readiness and Outcomes on October 10th! This event will bring together federal leaders and industry experts to explore the latest strategies and best practices for IT audit preparation and compliance. Attendees will gain insights into achieving audit readiness, maintaining continuous monitoring, and leveraging automation for improved audit outcomes. It's an essential opportunity for professionals looking to stay ahead of the curve in federal IT audit standards.

GAIN 2024: THE PREMIER B2G MARKETING CONFERENCE

AGING IN PENNSYLVANIA SUMMIT

Opportunities and Challenges Facing PA's Aging Population

October 17 | 8:30 AM - 12:00 PM ET | Harrisburg, PA | REGISTER

As more and more of Pennsylvania's senior residents become eligible for care, the resources and resolve of the public and private sectors must adapt to succeed for all involved. What are the steps being taken to cultivate and expand the workforce to properly care for aging Pennsylvanians, how are the unique housing challenges for this demographic being met, and what kind of initiatives in the public and private sectors – as well as collaborations between the two – are in the works? The Pennsylvania Aging Summit will address the challenges and opportunities facing the state and its residents, who are among the oldest populations in the country.

DOING BUSINESS WITH DHS

October 18 | 8:30 AM - 11:00 AM ET | Reston, VA | REGISTER

Join *Washington Technology* on October 18 for the Doing Business with DHS Power Breakfast as senior leaders discuss their priorities, including mission initiatives as well as how DHS is evolving the way it works with industry. Explore how the different components work together, upcoming opportunities, and what DHS wants from the contractors who serve the department.
