Good evening.

Crews continue progress today, which is reflected in the outage data below.

Today repairs were made to the distribution circuit serving the Easley-Central Water Treatment Plant in Pickens County, which is also a good example of the severe damage in the area. To restore power to the plant, crews replaced 8 broken poles and pulled 15 spans of wire back into place, including work on the bridge over 12 Mile Creek pictured below.

Outage Data by County:

Abbeville – 155

Anderson – 44,198

Oconee – 3,170

Pickens – 12,568

Other Counties of Interest:

Greenville – 140,453

Spartanburg – 105,860

-Trent
