City of Clemson, South Carolina

City Operations and Resources - Monday, September 29, 2024

View the latest on the City website

City Services

- City Hall offices are open normal hours.
- Garbage collection routes are also running as normal.
- Additional crews are in Clemson to assist in debris removal. As you're clearing away limbs and debris from your property, place them at the street-side for pickup. Please be patient with crews in this process as we anticipate a large volume of

debris. Please DO NOT place limbs and debris in ditches and other drainage areas as this could cause more flooding in the event of more rain.

- Based on assessed road conditions following Hurricane Helene, CatBus will be running with the following exceptions:

    - Pendleton route will travel down Mechanic Street directly to the Food Lion parking lot, bypassing TriCounty Tech. It will also deviate past Stevens Rd and will use Brown Road.
    - The Red route and the Gold route will be on half hour service.
    - The route to High Point-Pier apartments will not be running.
- Nettles Park is closed due to downed power lines, lack of power, and flooding. All soccer, baseball and softball games and practices at Nettles Park are canceled for Monday, September 30th.
- The 12U baseball game at Ashley Dearing and all Volleyball matches at Central-Clemson Rec Center will be plated as scheduled.
- The Arts Center will be closed.

Available Resources

- Clemson University will continue to provide services to the community tomorrow.
    - Littlejohn Coliseum and Snow Family Outdoor Fitness and Wellness Complex - 10am to 4pm - access to power, WiFi, and a limited number of showers (toiletries not provided)

    - Hendrix Student Center - 11am to 11pm with access to power and WiF
- Central Clemson Recreation Center will be open normal hours this week. Members and residents of the City of Clemson and Town of Central may use the facility to charge devices and get a hot shower (toiletries not provided, showers limited and wait times will vary, must show ID to verify residency). CCRC plans to continue these services until power is restored to the area.
- Central Clemson Library is open and available to charge devices and check out materials.
- Holy Trinity Church has three showers and ice available for pickup
- Clemson United Methodist Church has 2 men's and 2 women's showers available in the Christian Life Center from 10 -12 and this afternoon from 2-4. Bring your towels and toiletries. Bring your phones and devices and charging cords to get a charge as well.

Looking for a way to help?

Clemson Community Care is in need of nonperishable food item donations if you have any to spare. They will be at their facility (105 Anderson Highway) from 8:30am to 1:30pm to provide normal services and accept donations.
