Hi Mayor Halfacre,

I hope you are doing well. I'm sure you have heard by now that due to inclement weather, we have decided to postpone Tigerama to October 18th! I'm not sure where the information I sent you was disseminated to, but I would love if you could communicate to your team and community members that you interact with that X Ambassadors will still be performing and that if they have any issues or concerns with tickets, to email cutigeram57@gmail.com. Thank you so much for your help. Here is the press release with more information: https://news.clemson.edu/tigerama-postponed-to-friday-oct-18-at-7-p-m/

Have a great evening and stay safe in the oncoming storm!

Best,
Ellie Macken

the city and the university, so wanted to reach out to you and see how we can work together to market this year's homecoming pep rally to city residents.

This year's Tigerama is taking place on September 27th and will feature the performer X Ambassadors. This alternative band will definitely appeal to families and Clemson fans of all ages! Additionally, this year we are bringing back the Tigerama Block Party, from 4:30-6:30pm outside the stadium on the Avenue of Champions. We are planning to have a bounce house, face painting, food trucks, and DJ Sha will be performing!

If there's anything we can do to help get the word out about Tigerama to city residents, please let me know!

Thanks again and I look forward to hearing from you.

Best,
Ellie Macken
