A NEW TWIST ON TIMELESS WISDOM

As AI grows more prevalent, the workplace may seem a lot less human. But these technological advances mean human skills are needed more than ever—and the power of the *7 Habits of Highly Effective People*® is even

more pronounced.

We're thrilled to share that, on October 28, we'll officially launch our updated *7 Habits of Highly Effective People* course. In an age of rapid change, this reimagined *7 Habits* framework can future-proof your organization, providing the modern solutions that today's leaders need to unlock potential and unleash performance. **That's the 7 Habits Effect.**

These timeless principles drive exceptional results—even as the way we work evolves. Developing these crucial personal and interpersonal skills will put your leaders and teams on a path to success, no matter what the future brings.

Ready to learn more about how this new *7 Habits* content can transform your organization? Sign up to receive inspiring videos and expert, actionable tips delivered right to your inbox ahead of the official launch.
