We don't need to turn anybody away. We will know more opportunities for them after our meeting in the morning.

Having come from an area prone to hurricanes, I know it can be a lot and that sometimes extra hands are needed to help clean up. If you or anyone you know needs help cleaning their yards or facilities, please let me know. If you even gave us a list of yards that need clearing out, we could have a good group of guys who would be willing to help out. The Greek community at Clemson University wants to be as helpful as possible when it comes to this situation.
