Mayor Halfacre,

That sounds like a great idea. I will speak with the rest of the council, and then get back to you.

Best,

Good morning

Thought: Food drive for Clemson Community Care

Our community is really struggling right now with damage from the storm so helping the community would serve a lot of purposes. (Will help people, shine light on greek organizations and service to the community)

A food drive "benefitting Clemson Community Care"

If this is something you want to help facilitate, let me know Thanks again Robert

Hello Mayor Halfacre,

I hope you are doing well and that things are going well with regard to the ongoing hurricane relief effort in the Clemson area. Having come from an area prone to hurricanes, I know it can be a lot and that sometimes extra hands are needed to help clean up. If you or anyone you know needs help cleaning their yards or facilities, please let me know. If you even gave us a list of yards that need clearing out, we could have a good group of guys who would be willing to help out. The Greek community at Clemson University wants to be as helpful as possible when it comes to this situation.

Sincerely,
