Good morning! We hope you all are safe and well. We are heartbroken for the devastating impact Hurricane Helene has left on our community. Fortunately, we have power and are open if you need to use Wifi, work from our conference room, charge your devices, or even if you just need a hot cup of coffee.

Let's rally together to support our local businesses and community members!

Our Annual Golf Tournament is just 10 days away! Do not hesitate to secure our final spots for both teams and hole sponsorships and help give back to a great cause.

Our upcoming events schedule is still on track, with a few postponements and changes. Please be sure to pay attention to those details in the newsletter!

If we can be of any assistance, please do not hesitate to reach out!

Sincerely,

Chamber Staff
